

**PRESS RELEASE – 18 March 2015**

## **TechAnax Awarded GSA Schedule 70**

### **TechAnax to Provide the Federal Government with IT Services, Solutions, Hardware and Software under a 5-Year Prime Contract**

TechAnax, as Service Disabled Veteran Owned Small Business (SDVOSB), has been awarded an Information Technology Schedule 70 contract by the U.S. General Services Administration (GSA) Federal Acquisition Service (FAS), the procurement arm of the federal government. This contract allows government customers to efficiently and effectively purchase the wide range of TechAnax services and products. TechAnax's inclusion as a GSA Schedule 70 vendor enables all government agencies to obtain services, hardware and software products, support, training, and consulting services at approved pricing and with license terms from a trusted SDVOSB vendor.

A GSA Schedule 70 award is the culmination of a rigorous process in which the GSA carefully evaluates companies to determine their proficiency and suitability for providing products and/or services to the Federal government. The assessment covers an array of a corporation's capabilities, including organizational structure, performance history, customer satisfaction, and other criteria.

"TechAnax is pleased to make our services and solutions available through the streamlined acquisition process enabled by the GSA Multiple Award Schedule program," said Byron Athan, President and CEO of TechAnax. "Our GSA Schedule 70 contract helps TechAnax and prospective government clients focus on what matters most, efficiently and effectively assessing and resolving critical IT challenges."

In awarding TechAnax a GSA Schedule 70 contract, the Federal government has determined that the company is recognized as a preferred vendor fully authorized to conduct business directly with Federal, State, and Local government agencies. TechAnax offerings are available on the GSA IT Schedule 70 under contract # GS-35F-249CA for:

- Special Item Number: 132-8 Purchase of New Equipment
- Special Item Number: 132-51 Information Technology Professional Services

Federal, State, and local agencies can obtain information about TechAnax GSA Schedule 70 contract services on the GSA Advantage web site at: [www.GSAAdvantage.gov](http://www.GSAAdvantage.gov) and search for Contract Number GS-35F-249CA or from the TechAnax web site at [www.TechAnax.com](http://www.TechAnax.com). TechAnax award is effective 18 March 2015 to 17 March 2020.
